

# Give your kids a strong financial start.

Unum's Whole Life Insurance for children can help.

## Teach your kids to start saving now.

Katie and Derek work hard for what they have. But they're also smart financial planners who save their money — and they're teaching their kids to do the same. By buying a life insurance policy that accumulates cash value, they can save for their children's future. *Now that's a smart lesson.*

## Features that add value

1. **Cash value** — Accumulates at a rate of 4.5%\*. You can borrow from the cash value if you choose, or use it to buy a reduced policy with no more premiums.
2. **Policy amounts of \$1 to \$3 per week require no health questions** if you apply when you are first eligible. If you wait, there will be a few medical questions.\*\* Coverage beyond \$3 per week is available but requires health questions to determine eligibility.
3. **At age 70, the policy is fully paid up.** This means no more premiums must be paid. The benefit will be paid to the beneficiaries upon death.

## How to apply

To learn more, watch for information from your employer.

## Financial protection for your family

If an accident or illness were to claim the life of your child, this policy could provide the resources needed to deal with the financial strain of your loss — so you can take care of your family during this difficult time.

This coverage can be purchased without purchasing employee coverage. **Each policy covers one child or grandchild; you can purchase coverage for each of your children and grandchildren.**

## Child eligibility

Coverage is available to your:

- Children (natural and legally adopted)
- Stepchildren
- Grandchildren

Children/grandchildren are eligible from 14 days old until their 26th birthday. Children must reside in the U.S. to receive coverage.

## Three reasons to buy this coverage at work

1. You get affordable rates when you buy this policy through your employer, and the premiums are conveniently deducted from your paycheck.
2. You own the policy so you can keep it even if you leave the company or retire. Unum will bill you directly for the same premium amount.
3. Coverage becomes effective on the first day of the month in which payroll deductions begin.
